MISSION STATEMENT

The East Meadow School District is committed to providing its students with a quality education that will insure that every student will have the opportunity to:

- acquire the knowledge and skills needed to lead a productive, responsible, and culturally enriched life in the 21st century;
- develop attitudes that reflect empathy and caring for others and respect for the differences and diversity in our society;
- understand our cultural heritage and the need to participate in the community as an informed and involved citizen;
- work cooperatively in a group while becoming an independent learner and productive thinker;
- develop the ability to be creative through music, visual or performing arts, or literary expression;
- achieve physical and emotional well-being;
- understand the need to appreciate the Earth and protect the environment.

Board of Education

The seven-member Board of Education is elected by the registered voters of the district. Board members serve for three-year terms without pay and are responsible under state law for establishing the policies governing the operation of the East Meadow Schools.

Communication meetings of the Board of Education begin at 8:00 p.m. The Board provides opportunities for members of the audience to speak at these meetings. Persons following protocol may address the Board by making statements, by requesting information, and by presenting particular viewpoints. The public is invited to attend all meetings on those dates listed on the calendar pages. The Board of Education may schedule additional public meetings as necessary on topics of importance, including those related to instruction and budget.

Work sessions of the Board are held each month. Pursuant to the New York State Open Meetings Law, the public is invited to observe work sessions of the Board except on those occasions when matters concerning personnel, acquisition, sale or lease of property, and particular matters of finance are scheduled for discussion. These areas are considered by the Board in executive sessions. The Board of Education values input from members of the public and welcomes attendance at all business meetings of the Board. However, public comments regarding staff or other personnel matters, collective bargaining issues, pending legal matters, and particular in-process items of finance are not subjects for public comment or discussion. The Board of Education welcomes input on these issues in written form.

Residents who wish to attend School Board work sessions are advised to call Mrs. Linda Santangelo, Secretary to the Board, at 876-7516.

Did You Know?

Fifth-grade QUEST students at McVey Elementary School conducted independent research on bridges, constructed them of toothpicks, and tested how much weight they could bear. Each research team then created a PowerPoint presentation on a bridge of their choice, representing locations from Malaysia to New York City.

The Board of Education may schedule additional public meetings throughout the year as necessary for the purpose of communication/public input on topics of importance, including those related to instruction and budget.

The District Directory, Hotline Numbers, key mailboxes, and contact information are listed on the inside of the back cover.

Did You Know?

Barnum Woods Elementary School is committed to staying "green." During the 2009-10 school year, the students added paper to their recycling initiative, which originally began with water bottles.

The Board of Education may schedule additional public meetings throughout the year as necessary for the purpose of communication/public input on topics of importance, including those related to instruction and budget.

APRIL

The District Directory, Hotline Numbers, key mailboxes, and contact information are listed on the inside of the back cover.

Did You Know?

Each year students in Dr. John Healy's art classes at Woodland Middle School create a mural to be dedicated to a corporation or place of business. In April 2010, these students created a mural entitled "Equal Justice Under Law," and dedicated it to Justice Anthony Marano at the Nassau County Supreme Court.

The Board of Education may schedule additional public meetings throughout the year as necessary for the purpose of communication/public input on topics of importance, including those related to instruction and budget.

Did You Know?

Parkway Elementary School continues to incorporate technology into the curriculum. Technology was infused in disciplines such as language arts, science, and social studies. Distance learning included visits with the Center for Puppetry Arts, Cleveland Metroparks Zoo, and National Archives and Records. Pictured below are examples of students using SMART Board and videoconference technology.

Did You Know?

The East Meadow High School Girls Varsity Softball Team won their first championship since 1994, and Lindsay McKillop was named Nassau County Pitcher of the Year. In addition, four East Meadow High School track runners pulled the fourth fastest time in the nation in the shuttle-hurdle relay and were named All-American for the 2009-2010 Winter Track season. Those students are Baffour Obiem, Chris Garzia, Tom Ford, and Tom Millian.

The Board of Education may schedule additional public meetings throughout the year as necessary for the purpose of communication/public input on topics of importance, including those related to instruction and budget.

Did You Know?

The East Meadow School District was awarded the "Green Cleaning Award" in the December 2009 issue of *American Schools & Universities* magazine. Director of Facilities & Operations Patrick Pizzo and the custodial staff have replaced the use of chemical products with green-certified products in all areas of cleaning, and use only organic materials to treat district fields, without the use of pesticides.

The Board of Education may schedule additional public meetings throughout the year as necessary for the purpose of communication/public input on topics of importance, including those related to instruction and budget.

SCREENING NEW ENTRANTS

The New York State Education Department mandates that students who enter a school in New York State for the first time must be screened. The purpose of screening is to identify students who may demonstrate behavior relating to disabling conditions or who may demonstrate potential for giftedness. Screening is not to be viewed as an in-depth method of assessing development; rather, it is a quick method of assessing a student's overall performance and should indicate whether or not an in-depth evaluation is necessary. Based upon the results of screening, students who are in need of further evaluation will be referred to appropriate school and/or medical personnel, following notification to parents.

KINDERGARTEN

A child will be eligible for entrance into kindergarten in September if he or she will have attained the age of five on or before the following December 1. No child will be enrolled in kindergarten after September 30, unless the family has just moved into the East Meadow School District. **Kindergarten registration will be ongoing for the month of March and will be held at the Leon J. Campo Center.** For more information, please contact the elementary school your child will be attending or the district website, www.eastmeadow.k12.ny.us.

STUDENT REGISTRATION

Students register into the district through a central registration process. The Registrar's Office is located in the Leon J. Campo Salisbury Center. All registration requirements can be found on the district website, www.eastmeadow.k12.ny.us. The Registrar's Office is available throughout the year. Office hours are listed on the district website and are subject to change. For more information, please contact the Registrar's Office at 478-5526.

FOR THOSE CHILDREN WHO WILL TURN FIVE BY DECEMBER 1:

Pre-Kindergarten registration is conducted in the month of February, dates and times are to be determined by the school (please refer to the calendar grids for these dates). Registration forms can be obtained in advance by contacting the Main Office of your child's elementary school or downloaded from the website.

Kindergarten registration is ongoing for the month of March. Registration forms can be obtained in advance by contacting the Main Office of your child's elementary school or downloaded from the website.

HEALTH SERVICES

The Health Service staff consists of a school physician and school nurses. An annual medical and dental examination is recommended. All new entrants, as well as all students in grade 2, grade 4, grade 7, and grade 10 are required to have a physical exam per state mandate. If the family doctor performs the physical and dental exam, it should be after June 1. Health records must be returned to the school nurse by **October 15**, since the school physician begins examinations immediately thereafter. New York State and the East Meadow School District require that, in order to remain in school, all children receive these physicals. The annual dental examination must be performed by the family dentist. Dental record cards should be returned as soon as the work is completed.

School nurses are responsible for the first aid care of school children who are injured or become ill while under school supervision. Responsibility for providing medical care beyond first aid is the obligation of the parent or legal guardian.

Since no care beyond first aid can be given, it is VERY IMPORTANT that we know the home telephone number, parent's business telephone number, a neighbor's telephone number, and the name and telephone number of the family doctor.

Dispensing internal medicine by nurses, including aspirin, is prohibited. Medication, including prescription and nonprescription drugs, prescribed by a professional may be dispensed by the school nurse with a written statement from the professional stating the name of the medication, the dosage, and the dispensing interval. Self-medication release forms require a physician's signature for any medication.

SPECIAL EDUCATION

The district operates a comprehensive special education program which consists of several options along a continuum of services, including regular class placement with aides and supportive services, resource room, and special class placement. Upon recommendation of the District Committee on Special Education, school-aged children may be placed in a special district program, in a special education program in a neighboring district, or in a special school outside the district. Upon recommendation of the District Committee on Preschool Special Education, three- and four-year-old resident children suspected of having disabilities may receive evaluations and be placed in appropriate preschool programs or may receive special support services.

Any parent who believes that his/her child (age birth through 21) may have a disability should contact the Office of Special Education/Pupil Personnel Services for program information and assistance.

HOME INSTRUCTION

Students attending the East Meadow Union Free School District will be provided home tutoring when a doctor indicates that it is probable the student will be absent for more than 20 consecutive days, and the student can benefit from this service in the judgment of the school administration. Eligibility will be reviewed periodically. In certain instances the opinion of the school physician may be requested to confirm the pupil's health status. Contact the child's counselor or building principal to arrange for home instruction.

SPECIAL PROGRAMS

For information regarding the following programs, please call:

Summer School 228-5378 or 228-5379
Creative Arts Program (CAPE) 228-5276
Summer Music Program 478-5546

SCHOOL AGE CHILD CARE (SACC)

The SACC program is a licensed self-supporting before and after-school program for elementary school children, offered in cooperation with SCOPE Education Services. The goal of the program is to provide quality child care in a supervised setting before and after the school day. Children have a choice of indoor and outdoor activities which may include sports, arts and crafts, story-time, music, games, and homework. SCOPE staff members are chosen based on their child care skills and professional credentials. There is a ratio of one staff member for every 10 children. Each elementary school will have a SACC center when a minimum of 25 children are enrolled. No transportation is provided. Parents must bring their children to the "before-school program" and pick their children up at the conclusion of the "after-school program." The program will be conducted mornings from 7:00 a.m. until 9:20 a.m. and afternoons from 3:20 p.m. to 6:00 p.m. For registration information, please call the SCOPE Child Care Department at (631) 360-0800.

CONTINUING EDUCATION

The East Meadow Board of Education sponsors a program of adult learning experiences in our district schools. It is a diversified education program which includes many course offerings.

Residents of the East Meadow School District will receive two course catalogs describing all program offerings. These catalogs are mailed to residents for the fall and spring terms.

East Meadow senior residents, age 60 and over, will receive a tuition

reduction of five dollars on most courses.

For more information, please call 228-5211, Monday-Thursday evenings between 7:00 p.m. and 9:00 p.m. when school is in session.

PROJECT ACCESS

Project ACCESS (A Community Committed to Educating Students for Success) is a subcommittee of the PTA Curriculum Council, which sponsors educational workshops for parents throughout the school year. The main goal is to provide parents with hands-on strategies that they can use to help their children achieve the highest level of academic success. ACCESS is a cooperative effort among the district administration, teachers and parents.

PARENT OUTREACH

The Parent Outreach Committee is a collaboration of PTA representatives, parents, teachers, administrators, pupil personnel staff, and community representatives. The committee recognizes that there is a direct correlation between parental involvement and student performance in schools.

With this in mind the committee is working to:

- Identify barriers and challenges that prevent parents/guardians from being appropriately involved in their children's education.
- Identify and promote strategies and interventions that meet the needs of identified target populations within our district.
- Improve awareness of school and community resources and support services.
- Improve communication among school, home, and community.

PESTICIDE SPRAYING

The district has, for several years, been involved in an Integrated Pest Management Program (IPM) in accordance with New York State Education Department regulations. The Pesticide Notification Law requires the district to form a registry of any student, parent or staff member who wishes to receive written notification 48 hours prior to a regulated pesticide application. Individuals may request that their names be added to the school registry at any time during the school year. Please be aware that in a case of emergency, we may not be able to provide 48-hour notice.

All interested parties should contact the district's Pesticide Representative in the Office of Facilities and Operations at (516) 478-5509, Monday through Friday, from 8:30 a.m. to 3 p.m.

PUBLIC NOTICE OF ASBESTOS MANAGEMENT PLAN

In accordance with New York State Department of Education requirements under Environmental Protection Agency regulation 40 CFR Part 763, the Asbestos Management Plan and any response actions taken or planned are available in the District's Office of Facilities and Operations. All interested parties should contact the Local Education-designated person in the Office of Facilities and Operations at (516) 478-5509, Monday through Friday, from 8:30 a.m. to 3 p.m.

AVAILABILITY OF FIRE SAFETY REPORTS

NOTICE IS HEREBY given that the annual fire safety inspections, conducted during March 2010 for Barnum Woods Elementary School, Bowling Green Elementary School, McVey Elementary School, Meadowbrook Elementary School, Parkway Elementary School, Woodland Middle School, East Meadow High School, W.T. Clarke Middle School/High School, and the Leon J. Campo Center of the East Meadow School District for fire hazards which might endanger the lives of students, teachers, and employees therein has been completed, and the report is available at the Office of Facilities and Operations at 718 The Plain Road, Westbury, New York 11590 for inspection by all interested parties.

DAYS OF RELIGIOUS OBSERVANCE

The State Education Department no longer compiles a list of days of religious observance. Local school districts must establish their own, based upon the needs of the local community. The Board of Education has established the following list of days of religious observance which fall on school days and are not legal holidays. **Schools are open on these dates and attendance registers are maintained as on other days of session.**

2010-2011 DAYS OF RELIGIOUS OBSERVANCE

September 23, 2010	Sukkot
September 30, 2010	Shemini Atzeret
October 1, 2010	Simchat Torah
November 1, 2010	All Saints Day
November 17, 2010	Eid-al-Adha
December 8, 2010	The Feast of the Immaculate Conception
March 9, 2011	Ash Wednesday
June 2, 2011	Ascension Thursday
June 2, 2011	Ascension Thursday (Orthodox)
June 8, 2011	Shavuot

INSTRUCTION ON DAYS OF RELIGIOUS OBSERVANCE

The following policy has been adopted by the Board of Education:

- a. Days designated by the Board of Education will be the basis of this policy.
- b. A full day of instruction will be scheduled on these days as long as a substantial number of students is present.
- c. No tests or unusual activities such as field trips will be scheduled on days of religious observance as designated by the Board of Education. **However, there may be exceptions due to the new New York State testing schedule.**
- d. On the school days following student absence because of religious observance, tests may be scheduled. However, the teacher will agree to postpone a test for an individual student upon written request of the parent until a mutually agreed upon time.

It will continue to be the responsibility of the teacher to provide reasonable opportunities for all students to make up work missed because of excused absences.

In order to improve instructional opportunities for all students, no new work will be presented on days recording substantial student absence. It is the responsibility of the building principal to assist the teacher in determining what constitutes substantial student absence. Maximum make-up opportunities are to be made available for excused absences.

WEATHER ALERT

On occasions when schools will not be in session as a result of unusual weather conditions, parents will be notified of school closings as a result of inclement weather via a telephone call through the district's Blackboard Connect-Ed system. Parents are not required to call the school. You may also call the district's information hotline at 228-5232, then dial mailbox #8400. Announcements will be posted on the district website at www.eastmeadow.k12.ny.us and on the following radio stations, beginning as early as 6:30 a.m.:

WOR (710)	WINS (1010)	WBAB (1440)
WABC (770)	WHLI (1100)	WGGB (1240)
WCBS (880)	News 12 (TV)	

Concert Alert: (WLIX 540) Announcements will be made on WLIX regarding concerts or related musical programs scheduled on days when schools are not in session.

DELAYED SCHOOL OPENING

Notification

The Superintendent will notify the appropriate staff members of the decision to delay the opening of school by using the Blackboard Connect System (Connect Ed). Staff members should begin their notification system as soon as possible thereafter.

Transportation

The transportation system will begin the routes 60 minutes, 90 minutes, or 120 minutes later than the usual start time, depending on the length of the delayed opening. For example, East Meadow High School routes usually begin at 7:00 a.m. If there were a 90-minute delayed opening, the route would begin at 8:30 a.m., arriving at the school by 9:00 a.m.

Operation of Day at Elementary Schools

The elementary schools will operate their school day on an abbreviated schedule.

Operation of Day at Middle/Secondary Schools

Regardless of the length of the delayed opening, school will operate on an abbreviated nine-period day. The six-day cycle system will still be in effect. The numerical day is the same day as if there were no delayed opening.

Students are to report to their homerooms. Homeroom/beginning period (however it is referred to within the building) will be extended for as long as students are arriving at school. The length of the abbreviated nine-period day will be determined by the administration.

In a delayed opening operation, lunch is to be served during the normally scheduled period. Under these circumstances lunch will be provided but may differ from the official menu.

BOCES

BOCES schools are encouraged to follow the East Meadow Schools' schedule. If BOCES does not have a delayed opening, students who attend the morning session at BOCES are to report to their resident school. The principal will determine what these students will do. In the event of a delayed opening, parents may choose to drive their children to and from BOCES.

Emergency Closing Days

Should it become necessary to make up additional days of instruction lost to days of school closings, make-up days may be taken from the spring recess.

TRANSPORTATION

Section 3635 of New York State Education Law mandates that transportation be provided for pupils in grades K-8 who live more than two miles but not more than 15 miles from the school they legally attend. Pupils in grades 9-12 who live more

than three miles but not more than 15 miles from the school they legally attend are entitled to transportation.

Transportation for lesser or greater distances may be provided by a vote of the district. The voters of the East Meadow School District have authorized a more liberal policy. The general policy regarding provision of transportation for school children in the East Meadow School District is as follows: K-5, over one-half mile; grades 6-8, over one mile; and grades 9-12, over one-and-one-half miles.

This policy is applicable to public schools and to non-public schools situated up to 17 miles from a pupil's residence. Parents of children attending non-public schools are required by law every year to file a formal request for transportation for their children, **prior to April 1** preceding the school year involved.

A separate request form must be submitted to the Transportation Department for each child to be transported. With the exception of students with disabilities, distance is the sole determinant of general eligibility for transportation. Distance is measured by the Transportation Department via the nearest available route from the crosswalk at the home of the pupil to the nearest access onto school grounds, utilizing a school district vehicle equipped with a special survey odometer. Measurements are conducted on public thoroughfares, excluding measuring through school property.

Where a request for transportation is based on a medical condition, consideration is based on the nature and severity of the medical concern. Parents seeking a medical bus pass should apply to the school nurse at the school which the student attends.

The district advocates the use of seat belts on all regular school buses. We urge parents to encourage their children to buckle up while riding the school bus. Seat belts are not available on coach buses.

FOR INFORMATION ON BUSES AFTER SCHOOL HOURS, CALL COURTESY BUS CO. AT 766-6107.

MOTORISTS MUST STOP FOR BUSES!

It is illegal - and very dangerous - to pass a stopped school bus when the large red lights located at the top of the bus are flashing. Flashing red lights mean the bus is picking up or dropping off students. Flashing yellow lights mean the bus is preparing to stop, and serve to warn motorists to slow down.

Motorists must stop for **buses flashing their red lights, whether traveling on single or multilane roadways** when approaching the bus from either the front or the rear. The first-time fine for illegally passing a school bus is a \$250 fine, 5 points on your license, and/or a possible 30 days in jail.

Motorists passing school buses are the second leading cause of student transportation fatalities.

STUDENT ACCIDENT INSURANCE

The Board of Education maintains a program of accident insurance covering all enrolled students in the district. This program is intended to take care of most medical expenses arising from injuries incurred during school-approved activities.

The school coverage is in excess of any hospital or surgical coverage carried by the family. Such personal insurance must pay the limit provided, after which the school policy will reimburse the family in accordance with the indemnity schedule.

Exclusions:

No benefits shall be provided for:

1. Cosmetic surgery, sickness, disease, orthodontia treatment.
2. Chiropractic treatment.
3. Self-inflicted injuries.
4. Injuries resulting from fighting with other students.

SPECIAL STUDENT ACCIDENT INSURANCE RESERVE

The Board of Education has approved a program designed to supplement the Benefit plan as follows:

1. The claim is to be submitted to the parent's insurance carrier for review and payment.
2. If there are remaining unpaid balances, the claim is then to be processed under the terms of the plan.
3. If the claim has only been partially paid after steps one and two have been completed, the claim is to be submitted with appropriate documentation to the school district for review. The district shall reimburse, subject to a \$20 deductible, up to the maximum payment. Only claims which involve injuries to youngsters participating in approved school activities may be considered under this supplemental program.

If a child is injured during a school activity, the nurse will furnish full information about coverage and claim procedures. The accident must be reported to the nurse within 15 days.

TAX CODE

The IRS Tax Code for East Meadow residents to include in filing annual tax returns is 162.

PET PROHIBITION

Notice to Residents: In the interest of the health and safety of our children, dogs, cats, and other household pets are prohibited from school property. This policy will be strictly enforced by the Nassau County Police Department.

HOME-SCHOOL CONNECTION

The East Meadow School District is committed to promoting a positive home-school connection. In order to facilitate a respectful, open communication, we ask that you start at the building level and address your suggestions or concerns to the staff member closest to the situation, as that person will usually have the most information.

At times, additional building administrators or directors may be required to resolve specific situations. After you have utilized the building protocol, please call the appropriate central office administrator, who will assist you. The district encourages questions from parents and residents regarding school matters.

East Meadow High School offers classes in American Sign Language. In October 2010, students enrolled in the class were invited to share their signing skills at CitiField for Deaf Awareness Day.

PARENTS' AND STUDENTS' RIGHTS

Federal law requires that you be informed of your rights under the Family Educational Rights and Privacy Act (FERPA) of 1974.

Parents of a student under the age of 18 or students 18 and older have the right to inspect and review any and all official records, files, and data directly related to their child or themselves, including all material that is incorporated into the cumulative record folder and intended for school use or to be available to parties outside the school system. These materials include but are not necessarily limited to identifying data, academic work completed, level of achievement (grades, standardized test scores), attendance data, scores on standardized intelligence, aptitude, and psychological tests, interest inventory results, health data, family background information, teacher or counselor ratings or observations, and verified reports of serious or recurrent behavior problems.

A parent of a student under 18 years of age or a student 18 and older may make a written request for access to school records to the Superintendent of Schools. Arrangements will be made for access to such records within a reasonable period of time, but no more than 45 days after the request has been received.

Parents and students over the age of 18 are also entitled to a hearing to challenge the content of school records to insure that they are not inaccurate, misleading, or otherwise in violation of the privacy or other rights of students. Questions regarding the procedure to be followed should be directed to the Superintendent's office.

Student records and any information contained therein which is personally identifiable are confidential and may not be released or made available to persons other than parents or students without the written consent of the parent or student (if over the age of 18). Exceptions to this law include school employees and officials and certain state and federal officials who have a legitimate educational need for access to such records.

CODES OF CONDUCT

The Board of Education of the East Meadow Schools is committed to providing a safe and orderly school environment where students may be educated without disruption or interference. Our schools have a longstanding set of expectations for conduct on school property and at school functions. Specific expectations are outlined in the East Meadow School District's Codes of Conduct, which are available through the main office of each of the school buildings.

TITLE 45

Consistent with Title 45, the East Meadow School District will provide, release, or publish information pertaining to students as may be appropriate under the circumstances. Parents or legal guardians who do not want the district to release information must make a specific request in writing to the Superintendent of Schools. Unless objection to any of the specific items in the following "Directory Information" is submitted in writing by parents, legal guardians or by those students over the age of 18 years, the East Meadow School District herewith gives notice of intention to provide, release, or publish in the district newsletter or bulletins, the district website, school or student newspapers, magazines, yearbooks or other publications, daily or weekly newspapers, athletic programs, musical, theatrical or award programs, news releases, videos, and school-related organizations, any or all of the following directory information pertaining to students as may be appropriate under the circumstances: the student's name, photograph, date of birth, parents' names, address, telephone number, date and place of recognized activities and sports, weight and height of members of athletic teams, dates of attendance, grade in school, immunization status, degrees and awards received, and the most recent previous educational agency or institution attended by the student.

Under the regulations of this act, parents, guardians, or students over the age of 18 who do not desire the release of any of the above directory information must make a specific request in writing to the Superintendent. Failure to make such a request shall be deemed consent to release, provide, or publish the directory information during the remainder of the school year.

STUDENT ATTENDANCE

The Board of Education recognizes that regular school attendance is a major component of academic success and an integral part of the student's ability to meet New York State's academic standards. To this end, the East Meadow Schools have specific expectations for school attendance, which are available through the main office in each of the school buildings.

SUBSTANCE ABUSE POLICY

The East Meadow Public Schools recognize the need to maintain preventive programs in the area of drug and alcohol abuse education which will utilize all school and community resources. When evidence of drug or alcohol abuse is recognized, the policy of the East Meadow District is based on the following premises:

- A.** If a student is suspected of drug or alcohol involvement, the school's primary responsibility is to inform the parents and/or guardians.
- B.** Within the framework of the law, an attempt will be made to protect the relationship of the student in his peer group and with the professional staff.
- C.** The appropriate law enforcement agencies will be notified of suspected student involvement in the sale of drugs and narcotics. In cases involving student use or possession, the principal will notify appropriate law enforcement agencies.

Guidelines for Suspected Users

- A.** Pupils who exhibit symptoms of being under the influence of drugs, narcotics, or alcohol while in school, or by their own admission reveal that they are under the influence of drugs, narcotics, or alcohol, shall be seen by the school nurse. The student's emotional and physical state shall be evaluated by the school nurse, who will consult with the school administration for possible follow-up. The parents will be notified and the case treated as any other emergency.

- B.** In the event that a search of facilities is warranted in the judgment of a school administrator, the lockers, closets, desk, and similar areas under control of the school may be inspected by a school administrator and a witness at any time. Where the school administrator has reason to believe that an individual student possesses drugs or hypodermic instruments on his/her person, the search shall be completed by the administrator and observed by a witness.
- C.** In the event that a student is removed from the school by the parent/guardian or by emergency procedure for suspected drug or alcohol-related reasons, a physician's statement indicating that the student is fit to return shall be presented to the administration before the student may be readmitted.
- D.** A conference of the parents, administrators, and pupil personnel team will be held and a mutually agreed-upon program of counseling and referral will be established for the student upon reentry to school.

Possession or Sale of Drugs

- A.** School employees who apprehend individuals in the possession or sale of dangerous drugs while in the school or on school grounds shall take the individual to the principal's office. The principal will contact the parents and the police so that due process of law can be pursued.
 - 1.** As defined in Section 330 of the New York State Penal Law, "sale" is defined as to sell, exchange, give, or dispose to another, or to offer or agree to do the same.

- 2.** As defined in the New York State Penal Law, dangerous drugs include:
 - a.** Narcotic drugs (e.g., heroin, morphine, opium, any opium derivative, or cocaine)
 - b.** Depressants (barbiturates)
 - c.** Stimulants (amphetamines)
 - d.** Hallucinogenic drugs (e.g., LSD, marijuana, STP, DMT, peyote)
- B.** The principal of the school may detain the student until the police arrive.
- C.** Readmission to the regular school program will be determined as a result of a conference involving parent, student, administrator, and a pupil personnel team designed to protect the interests of the pupil, school, and society.

East Meadow Schools have been identified by the Nassau County Police Department as

DRUG-FREE ZONES.

Any convictions for drug-related activities within these zones will qualify for greater penalties than normal.

EAST MEADOW COUNCIL OF PARENT-TEACHER ASSOCIATIONS

The East Meadow Council of PTAs is comprised of nine local member units. Its purpose is to promote the conference, leadership training, and coordination of efforts of the local PTAs. The council brings the power of united planning and efforts to solve communitywide problems affecting children and youth.

The voting body of the council consists of its executive board, the president of each member unit, and nine delegates from each unit, selected according to unit bylaws. The voting body also includes one immediate past president of council, and the teacher representative to council.

As a member of the PTA, you will belong to a nationwide democratic, voluntary organization (the National Congress of Parents and Teachers) that centers its whole interest on the welfare and education of children and youth.

The LOCAL UNIT PTA serves the individual school and cooperates with the local school staff in solving any problem within the school. The PTA assists in building positive relations between home and school.

OFFICERS

President: Christina Parkman	565-1995
1st Vice President: Pat Brace.....	334-5122

BUDGET VOTE:

TUESDAY, MAY 17, 2011

7:00 A.M TO 9:00 P.M.

REGISTRATION AND VOTING INFORMATION

The East Meadow Board of Education has adopted procedures for permanent personal registration in accordance with New York State law. This means anyone who voted in a school, state, or national election during the four years prior to the pending election can vote without reregistering. Since voter registration cards will not be sent, residents are urged to register if they have not voted in the last four years.

Absentee voting for the school budget and the election of School Board members is permitted under state law. Residents who wish to obtain absentee ballots may do so by contacting Ms. Arlene Mittelman at 478-5738.

In order to be a qualified voter, one must be:

- 18 years of age or older
- A citizen of the United States
- A resident of the East Meadow School District for 30 days prior to the election
- Registered with either the Nassau County Board of Elections or the East Meadow School District

Note: Registration dates and times will be announced through local press releases and in *Steps To Learning*.

SCHOOL ELECTION DISTRICTS

The district's polling places are:

**BARNUM WOODS ELEMENTARY SCHOOL
BOWLING GREEN ELEMENTARY SCHOOL
MCVEY ELEMENTARY SCHOOL
MEADOWBROOK ELEMENTARY SCHOOL
PARKWAY ELEMENTARY SCHOOL**

PUBLIC NOTIFICATION

The East Meadow School District hereby advises students, parents, employees, and the general public that it does not discriminate on the basis of race, color, national origin, sex, disability, or age in its educational programs and activities, including vocational educational opportunities, in accordance with the requirements of Title VI of the Civil Rights Act of 1964 (Title VI); Title IX of the Education Amendments of 1973 (Title IX); Section 504 of the Rehabilitation Act (Section 504); the Americans with Disabilities Act of 1990 (ADA); or the Age Discrimination Act of 1975 (the Age Discrimination Act), which prohibit discrimination on the basis of race, color, national origin, sex, disability, and age, respectively.

If you have questions regarding the district's responsibilities under these regulations, if you wish to make a complaint, or if you require services related to a disability pursuant to Section 504 and the ADA, please contact the following individuals designated to coordinate the district's efforts to comply with Title IX, which prohibits discrimination based on sex, Section 504 and the ADA, which prohibit discrimination based on disability, and the Age Discrimination Act, which prohibits discrimination based on age:

Mr. Anthony Russo
Title IX and Age Discrimination
Act Compliance Officer

Mr. Robert P. Gorman
Freedom of Information Officer

Ms. Patrice Dobies
Section 504 Compliance Officer

Mr. Patrick Pizzo
ADA Compliance Officer

Leon J. Campo Salisbury Center, 718 The Plain Road, Westbury, N.Y. 11590

Absence Notification

It is essential that school authorities know when a child is to be absent from school. Per our attendance policy, each school has installed a recording machine to take absence notification messages. If your child is going to be absent, please call one of the numbers listed below between 4:00 p.m. and 8:00 a.m. on weekdays, and any time on weekends. Parents are urged to be certain their emergency telephone numbers are on file with the school nurse. Upon returning to school, written documentation explaining the absence is required. When a student is absent for 20 or more days (for non-medical reasons), the parent/guardian must re-register the student at the registrar's office upon return.

INFORMATION HOTLINE - 228-5232

In an effort to communicate more effectively with residents, the district utilizes the Blackboard Connect System (Connect Ed), as well as an information hotline. These provide up-to-date information regarding field trips, the impact of weather on school activities, scheduled school and districtwide events, and commonly used telephone extensions needed to reach various district personnel.

The hotline will be updated with current information by district personnel. Information such as school activities will be changed weekly. Information on inclement weather or particular field trip information may change during the day. The

hotline is designed to provide information on changes in the normal school schedule. It is NOT designed to communicate that school is open and all activities will take place as planned.

To access the hotline, dial (516) 228-5232 from a touch-tone telephone.

The hotline will take you through a menu of topics. Telephone extensions are provided throughout the menu to help you find the information you desire. Among these extensions is a Community Incident mailbox which includes updates on police activity in the community. **To access the Community Incident Hotline, dial 228-5232, then dial mailbox # 8171.**

SECURITY HOTLINE

The East Meadow School District maintains a security patrol which provides surveillance of the district's buildings and grounds. If residents observe any suspicious activity on school property or around school buildings, they can report these activities to security by calling **852-7414 or 852-7415**. All calls will be kept confidential.

FOR INFORMATION ON BUSES AFTER SCHOOL HOURS, CALL COURTESY BUS CO. AT 766-6107.

NOTES

Clarke Middle School eighth grader Ganesh Ravichandran won a silver medal at the Long Island Math Fair at Hofstra University in April 2010. He presented on Mathematics in Global Warming. He chose this topic as he has an interest in the effects of global warming and its impact on the environment.

In May 2010, a team of students from W.T. Clarke High School was awarded Top Honors at the final citywide round of the 2010 Junior Achievement of New York (JANY) Business Plan Competition (BPC) for their innovative product idea, "Infinity Hosiery."

East Meadow High School annually hosts a Senior Project Fair. The purpose of the initiative is to prepare students for their future, and to foster compassion, creativity, citizenship, and confidence in students as they enter the workforce, college, and society. Pictured is student Nicole Aguila, who interned at the Red Barn Stable.
