

THE EAST MEADOW BOARD OF EDUCATION
PROUDLY PRESENTS THE

PRE-KINDERGARTEN PROGRAM

A new world awaits the child who begins school. To insure that this experience will be as rewarding as possible, we offer a voluntary program to all children who will be **five years of age by December 1, 2012** and are eligible to be enrolled in our Kindergarten in September 2012.

This Pre-Kindergarten Program acquaints children and parents with their new school. In addition, it begins to build the language and concept base necessary for success in school. Games, stories, songs and a variety of readiness activities make this an exciting program for all.
