

**CAREER DAY INC.
W.T. CLARKE HIGH SCHOOL
DECEMBER 8, 2017**

*How do I know what my strengths are?
What future job possibilities are out there for me?
Who can guide me on my path?*

Sign up on November 15 and 16 to listen to professionals discuss their careers, their journey and who and what inspired them.

Expect to be surprised: what you see isn't always what you think!
For example, the vintage car technician is also a small business owner, the farming and education professional is also a registered nurse, and the web designer works on interface technology with cars!

Each professional you encounter will bring new ideas and contribute to the road to **discovering your OWN PATH!**

To sign up just bring your student ID and your curiosity!

Get ready to think about your future! And, get ready to ask questions!

Please review the attached list of available career choices. If you aren't 100% sure what's best for you, your guidance counselors will be there on sign up day to help!

**It's going to be a great day!
Over 55 professionals are coming to Clarke just for you!**

For a student who shows that Career Day has had a profound effect on their goals or career, there is an opportunity to receive a \$1000 scholarship to support their future training or education.
