

CLARKE M.S. INTRAMURALS

Our 6th grade Intramural program will be starting on Tuesday, October 9, 2018 and will run throughout the school year. Each month a new activity will be introduced and Ms. LaVacca and members of the Clarke MS Physical Education staff, will be instructing, organizing and supervising the students who wish to participate. Intramurals will begin at 7:25 AM and conclude by 8:05 AM.

The schedule for the next three months is as follows:

<i>MONTH</i>	<i>ACTIVITY</i>	<i>DATES</i>

All students should be prepared to participate in the intramural program by dressing appropriately. Students should dress in athletic clothing and should be wearing sneakers; please no tank tops. Students will be allowed access to the locker rooms before and after each session. It is suggested for participants to have an extra pair of sneakers and socks in the locker room as the early morning dew will sometimes cause soggy feet. Sweatshirts and sweatpants are recommended for colder mornings as many activities will be held outdoors.

We look forward to having your son/daughter join us for Clarke Intramurals!
