

January 25, 2012

Dear Parents/Guardians:

Greetings! As you know, the safety of our students is our main concern. Once again, I would like to remind you that the traffic situation at arrival and dismissal is extremely dangerous and hazardous. Parents are parking in "no-parking" zones, double parking and making illegal U-turns on Franklin Avenue.

As such, my concerns have been brought to the attention of the First Precinct. I met with them yesterday and have requested enhanced police presence during arrival and dismissal times. It is up to you, the parent, to comply with laws and to exercise extreme caution while driving near the school. Please be aware that **tickets will be issued** and it is our hope that this will not be necessary.

At this time, I would like to once again remind you of the following safety procedures:

- **Any change to your child's dismissal procedure requires a note. This note must be provided to the classroom teacher on the day of the change.**
- Any parent/guardian picking up a student throughout the course of the day must always have **picture I.D.** This I.D. must be presented to the Security Monitor at the welcome desk prior to signing the child out.
- Any person authorized to pick up your child must be on the **Student Emergency Card** and must have a valid **picture I.D.**

Thank you in advance for your attention in these most important matters.

Sincerely,

Mrs. Kerry Dunne
Principal
